

Work Together For Community Prosperity

Organization Profile

2024

# INTRODUCTION

## 1. Introduction of CARD Nepal

Community Action for Rural Development Nepal (CARD Nepal) is a non-political, non-profit, and non-religious organization founded by the youth devoted to Social work. Established in 2018. CARD Nepal is committed to social justice, accountability, and transparency which has earned the trust of the communities it serves and its partners. The organization focuses on empowering marginalized & socially excluded communities, Adolescents , LGBTQ, People with Disability, Migrant and Migrant family through initiatives in education, health, human rights, anti human trafficking, women empowerment, child rights, agriculture, Climate change, environmental sustainability, and social cohesion. By promoting technical education, skill development, and sustainable resource management, disaster management , climate change and pollution control activities, CARD Nepal strives to build an equitable, peaceful, and self-reliant society. We are serving in Mahottari, Dhanusha, Siraha and Saptari.

## 1.2 Philosophy of the Organization

### 1.2.1 Vision:

We envision a world where every individual has the opportunity to thrive, free from poverty and injustice, where diversity is celebrated and people will live peaceful, healthy, educated, self-reliant and harmoniously, by respecting each other as well as respect environment, agriculture and where innovative solutions lead to lasting positive change.

### 1.2.3 Mission:

Secure livelihood and rights of poor, vulnerable & marginalized communities to facilitate creation of civilized, equitable, self-reliant and prosperous society through promotion of social cohesion, human rights, health & education awareness, scientific agriculture, environment clean, drinking water supply & sanitation and sustainable management of natural resources.

### 1.2.3 Goal:

Our goal is to foster an equitable, peaceful, self-reliant, healthy, educated and prosperous society through the promotion of social cohesion, cooperation, human rights, child rights & protection, agriculture & environment promotion and sustainable management of natural resources. To secure the livelihood & rights of poor, vulnerable and marginalized communities.

### 1.2.3 Objectives :

CARD Nepal, a nonprofit public interest organization, is dedicated to fostering sustainable growth and development in agriculture by addressing sector challenges and promoting economic and agricultural financing. We organizes educational programs and training for marginalized communities, including women, minorities, and disabled individuals, to enhance self-sufficiency. We emphasizes technical education and skill development for unemployment issues and

implements programs for environmental improvement, pollution control, disaster management, clean water, and sanitation. It collaborates with various organizations to enhance education, child rights, child protection, child labour and child marriage mitigation, women empowerment and women rights, while also conducting human rights research. CARD Nepal promotes tourism, protects natural resources, and manages climate change impacts, and implements WSAH and sanitation programs. It also focuses on youth financial literacy, life skills, LGBTQ rights, and migrant and migrant's family support.

### 1.3 Core value of CARD Nepal:

- **Transparency and Accountability** :All the activities and corresponding budget allocated for that particular place are transparent, anyone at any time can have access to this information, if requested .
- **Value for Money (Cost Effectiveness)** : CARD Nepal commitment to maximizing impact through efficient and strategic use of resources. By prioritizing efficiency, transparency, sustainability, innovation, and impact orientation, the CARD Nepal ensures that every Rupee is spent wisely and delivers measurable benefits. This core-value of CARD Nepal not only fosters accountability and trust among stakeholders and Funding agencies but also drives continuous improvement and effective collaboration.
- **Gender Equity and Social Inclusion (GESI)** :CARD Nepal believes the equal rights, responsibilities and opportunities of women and men, girls and boys from all casts level for sustainable growth and prosperity of the community . So we plan and implement all the activities on Non-discriminatory and inclusiveness .
- **Participatory Decision Making** :  
We encourage our all general assembly members and executive committee member to participate and give their valuable word in decision making and beneficiaries to participate actively in our activities right from needs assessment to implementation , monitoring and evaluation, and benefit sharing .
- **Dedication Towards Work with Good-Ethics** :  
We dedicate towards the organization's members and community needy people without being prejudice with good ethics.
- **Sustainability** :  
As far as CARD Nepal, all the organization and community based activities produced long run benefits for community and organization. Benefits are realized, maintained and continue even after the end of the Activities.
- **Social Justice and Self Reliance:**  
CARD Nepal valuing the principle of social justice, and empowerment of youth, women, child and farmers through planning and implementation of activities.
- **Disciplined , Autonomous and Neutral** :

CARD Nepal believes to remain disciplined, Autonomous and Neutral in it's authority .
